Experience

2015 – 2016

Volunteerism | Tutoring | Pleasantville Secondary School

Assisted students struggling in the area of chemistry. This developed an ability to become a critical thinker as other ways to communicate information needed to be thought of.

2015 – 2016

Assistant Vice President of Academic and Mentorship | Student Advisory Council | Pleasantville Secondary School.

Lower form students were support by assigning A' Level pupils to tutor them in areas where they struggled the most. This developed my leadership skills as Mentorship is also provided by students who are bullied or facing other problems at this institution.

2015 – 2017

School Prefect | Student Advisory Council | Pleasantville Secondary School.

Aided the school form teachers at assemble to settle their classes along with mentoring trouble students. Gained experience in handling tough situations.

2008 – Currently

Musical Performer | Pleasantville Secondary School.

Provided entertainment for crowds musically by either playing the guitar or piano together with leading vocals. From this, stage experience was gained as well as an ability to work under pressure.

August 2016

Volunteerism | Tutoring | San Fernando West Secondary | Sixth Form Association Services.

Assisted form one students in adapting and becoming familiarized with their school environment. As well as offering help for those student struggling in various subject areas.

Awards and Acknowledgments

Gained awards for the area of Chemistry, Biology, Agricultural Science and Physics for having the highest grade in the form four classes in the year 2014. This was also accomplished again in the year 2015.

Gained an Award for English in the year 2015 for the best marks obtained.
