### TO WHOM IT MAY CONCERN

I am providing this testimonial on behalf of Mr. Dariel Maurice whom I was privileged to have taught Biology.

I have found Mr. Maurice to be a creative thinker and a hard worker, who approached problems with a mature outlook. He has always shown a great interest and dedication towards his studies and school in general. This dedication combined with good organizational skills and responsibility, afforded him the opportunity to serve as House Captain, as well as Vice President of the Peer Counsellors at St. Stephen's College. He also did assembly programs.

He represented the school at the RBC Young Leaders Debate, the S.T.E.M. Project, and the Australian Mathematics Olympiad. He participated in the Farmers' Training Centre Course on Compost Manure.

Socially, I have found Mr. Maurice to be very amiable, and well-liked by his peers. He is honest and conducts himself in a proper manner.

One of his hallmarks is to help other people grow and to that end, he gives of his time selflessly.

His discipline, respect for authority and team spirit will be an asset to any institution he is a part of.

Mr. Dariel Maurice would like to secure a place at your organization and I am indeed happy to inform that with his pleasant personality and good character he will perform favorably and with success.

Yours Sincerely

### **Sixth Formers Association Services** Students For All Students

McLeod Trace,  
Freeport,  
Trinidad, W.I.

#### **To whom it may concern;**

The **Sixth Formers Association Services (SFAS)** is a voluntary, non-profit, non-governmental organization that provides free tutoring and mentorship support for students in need. School children from standard one to form five benefit from this program. **SFAS** utilizes Form Six students as tutors to achieve this goal; whilst providing character enhancing activities for them to develop into positive adults.

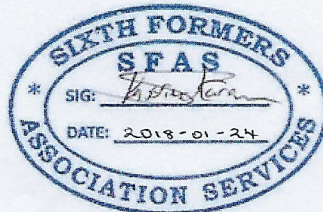

**Dariel Maurice** is one such individual who has volunteered his services as a tutor in 2015. He has contributed towards making a positive impact on the organization and the children under his care.

He was exposed to a variety of activities and settings during the program that would have developed his interpersonal, leadership and communication skills. His attitude towards the program suggests that he is a service-driven individual who was committed to improving the lives of others.

He has made a positive impact on **SFAS**. I have no doubt that this will continue wherever he goes and thus it is without hesitation that I can recommend him.

Yours Faithfully
