To whom it may Concern,

The accompanying resume is in compatibility with my stature and qualifications. I strongly believe that I am a well-rounded individual, fit to tackle any obstacle or position that I may endure or become enrolled in by my employer. Becoming a part of your established organisation would compel my current and future goals while meeting the individual tasks set for me to complete in keeping with the company's goals.

I am currently advancing my studies at the University of Trinidad and Tobago in pursue of a Diploma in Software Engineering after leaving St. Benedict's College in the year 2015 where I obtained my O'-level qualifications.

I am young and willing to learn at all times, my most previous job experience instilled some values, awareness and good traits in me that I'm most grateful of, also having the opportunity of working in the Courier industry I gained exposure in the areas of Information Technology as to how it complies to maintain functionality and accessibility within that sector as in relations to Customer Service, Cargo Attendance/ Handling, etc.

I would greatly appreciate the opportunity to be employed by your establishment to meet your holistic goals as a company and expand on your boundaries to meet my goals as a maturing individual while obtaining good traits and fundamentals of the establishment.

Please review my attached resume for additional details regarding my expertise and career achievements. If seen as an asset of interest I can be contacted at (868)380-6400 and via emails at marquis.regis@yahoo.com.

Thank you for your time and consideration.

Respectfully,

Marquis Regis
