Re: Customer Representative Position:

Dear Recruiter,

Focusing on the issue at hand is my specialty. I thrive in a professional, fast paced, structured, and team-oriented environment. Please consider me for the Customer Representative position at your establishment.

I am also a dedicated, industrious person with strong interpersonal qualities and I am always eager to acquire new skills. I am intrinsically motivated and work well in groups.

Being an attentive listener assists in my ability to find positive resolutions to questions that may appear to be unanswerable.

To further acquaint you with my qualification I have attached a copy of my Resume. I would like to render my sincere thanks in advance for acknowledging my application and I am willing to attend an interview at your convenience.

I can be reached at the number above or at my email address.

Sincerely,

Dana Joachim
