Dear Sir/Madam

I am hereby applying for any` available position in your organization to work as a Graphic Designer. I possess a variety of competencies such as making cake box, copying printer, stamping, embroidering and doing type setter. I am prepared to work hard to enhance the efficiency of your company and enhance my qualification in this field. I am hardworking and an honest person who gets along with my peers.

I am willing to attend an interview at any time convenient to you.

I wish to disclose that I have a hearing impairment which has affected me since childhood. This does not limit me in my work ethic as I am very driven and dedicated. I am also a deaf person and can be reached by texting or email.

Thanks in advance

Yours truly
