Introduction

I am currently a final year UWI student pursuing a degree in Electrical and Computer Engineering. I can offer my experience and knowledge acquired from the part time jobs I held and my academic qualifications.

Experience

Nanda Bhavan Vegetarian Restaurant / Construction Worker

January 2015 - September 2015, Debe

Responsible for laying tiles, painting and installing PVC ceiling.

Spacey's Printery / Production Line Worker

May 2017 - July 2017, South Oropouche

Responsible for assembling cheque / receipt books and notebooks.

Funsplash Water Park / Park Attendant

July 2017 - September 2017, Debe

Duties included tending to the pools and attending to the needs of the customers.

Education

Iere High School/ CSEC and CAPE

September 2007 - June 2014, Siparia

Studied sciences both at CSEC and CAPE levels. Certificates can be provided upon request.

The University of the West Indies / BSc Electrical and Computer Engineering

September 2014 - Present, St. Augustine

Degree in progress. Student transcript can be provided upon request.
